

## 2022 DEDICATION STATEMENT

In 2022, I dedicate myself to be fully occupied in Jesus Christ:

- By taking spiritual authority in prayer and speaking life over situations I encounter.
- By living out and standing on the promises of God's Word.
- By engaging in worship to God with a true heart during services and in my daily life.
- By investing in my spiritual growth and attending services and Sunday School consistently.
- By obeying the Holy Spirit in walking in righteousness and serving the Kingdom of God.
- By committing to continually give in my tithes, offering and support of Project Occupy and the vision to advance the Kingdom of God.
- By actively fulfilling the mission as a Reach Leader to get more people saved, disciplined and reaching others for Jesus Christ.
- By fully embracing God's process for my life.

In 2022, it is my pledge to fully engage my faith in every aspect of my life. In Jesus' Name, Amen.
