

FAMILY MONDAY AGENDA

1. Welcome to Family Monday

Family Monday is started when the leader gathers the family together and welcomes everyone there.

2. Start with Prayer

This invites the Spirit of God in, increases love, and teaches your family how to pray.

3. Praise and Worship

Sing a Praise and Worship song. It doesn't matter if your family has music or not, or can't sing very well, what matters is that you pick a song to help bring a spirit of reverence, joy, and worship to your Family Monday.

Song suggestions: (How Great is our God, Victory is Mine, What a Mighty God We Serve, This is the Day or a song of your choice)

4. Teaching Lesson

The teaching will come from the Sunday School lesson which includes a Homework Assignment.

Adult and high school family members should bring their Sunday School lesson and homework assignment to Sunday School Live with Pastor Deborah at 8:00 am to be graded. You can pick up your graded homework the following on Wednesday at Word Wednesday at 7:00 pm.

6. Family Business

This is the time to discuss things of importance to your family. Some items of the family business can include:

- Discussing events of the upcoming week to include Church Activities
- Planning future outings and activities
- Things to be improved/worked on
- Issues that affect the family

7. Family Activity and Refreshments

This is the time to bring your family together by doing something together! It can be anything fun, like a simple family activity, a planned outing, a craft or a great game! It does not have to go along with the lesson, but definitely can if you have any appropriate ideas. Enjoy some refreshments together as well.

8. Share your Family Monday on Social Media

This is the time to show family and friends the great time you had and can also be used as a tool to help others connect with God. And, don't forget to hashtag #FamilyMonday and #HarvestLife.
